Advancing mobility
with convenience
and confidence
Promoting safety and mobility

We understand the importance of early mobility. To achieve your mobility protocols and comply with guidelines, you need a readily available solution that stays under your patient and fits seamlessly into your workflow. That’s why we combined our innovative air assist technology with lift compatibility to promote safety and mobility.

**M® Microclimate Body Pad**
- Effectively absorbs and locks in moisture to protect patient’s skin while allowing air to flow through

**Hi-tech fabric**
- Promotes a healthy microclimate for the skin and is compatible with low air loss technology
- Easy to clean surface

**Hose Protection Sleeve**
- Helps protect hose from environmental contamination

**Point of Care Power Switch**
- Integrated into workflow to improve efficiency by allowing caregiver to focus on patient at the bedside

**Prevalon Air Pump**
- Safely fits under most ICU beds
- Hanging clip allows booster pump to travel easily with bed

**Quick Connect Valve**
- Provides an easy, secure connection and a quick release

**HEPA equipped filter**

**Sage AirTAP® LC**

**Lift Compatible Patient Repositioning System**
Black Positioning Handles
• Encourage proper ergonomic position for the healthcare worker when preparing to reposition patient

Easy Roll Handles
• Encourage proper posture for healthcare worker

3-in-1 mobility

1 In-bed positioning
Addresses risk factors of pressure injury

2 Lateral transfer
Utilizes air-assisted technology to safely transfer patients

3 Vertical transfer
Enables patients to safely transfer to the bedside chair

Intuitive strap system
• Enables multiple lifting positions
Simple interventions. 
Extraordinary outcomes.

We are your partner for proven prevention. Our market-leading products solve real healthcare problems and are backed by clinical evidence. Our products allow you to deliver essential patient care with confidence by addressing risk factors that can lead to infections, skin injury, and caregiver injuries.

We are driven to solve real problems and make healthcare better for you and your patients.
